Sorry we'll miss you. I'm leaving for 3 weeks starting tomorrow. So, let's try to get together in January.

You're It, after a couple of days' delay by me. I just left you a voicemail at work; I'm slammed this week and won't make lunch tomorrow. Give Laura a hug for me if you go. Hope to catch up soon. I heard you put Shilpa through her paces on GT&S the other day....
