Wow - ski house would have been decadent but uptown bar sound fun! Knowing AO it will be perfect either way.

Glad you are getting some time off. 2nd works!

I think AO managed to get the uptown bar reserved for my event -- now she is just trying to get the catering squared away. I kinda messed her up by changing my mind a few weeks ago about what I'd prefer (initially I was thinking ski house in February -- but I realized that might be too tough for a lot of people).

Yes, we're looking forward to the 4th. Probably have been too disorganized to RSVP but will.

I will hold the 2nd for lunch and we can touch base that day to see if it still works? That will be my first day back after a week off (Wed to Wed).

Merry Christmas,
TAH

Oh wow. That doesn't sound nice. No problem. 2nd might work, but I'm leaving at noon on the 3rd.

Hope to see you guys on the 4th though. I think alyshia got a great venue.
