### **A Message From Administrative Services: Caution When Exiting the Garage**

Our garage entrance/exit is located on a very heavily used street. In addition to vehicles, there is pedestrian traffic, including new neighbors at the Mary Helen Rogers Senior Community directly behind the CPUC building on Franklin Street.

Please be mindful and use extreme caution upon entering into and out of the CPUC parking garage on Golden Gate Avenue. There are mirrors placed on either side of the garage entrance/exit and they are a good visual aid in helping you to see people on Golden Gate Avenue. Additionally, we are working with the DGS building manager to determine if a loud warning signal of some type would be acceptable for this area.

This precautionary measure can help to assure the safety of all; your help is appreciated.

Thank you,
