Why don't we plan on meeting in SDG&E's office – I'm more concerned about the time getting through security at CPUC East than the distance! Thanks. BB

Bliiy:

5:00 pm still works for me, and I reserved a conference room at the suggested time, at the CPUC's second SF office which is located at 455 Golden Gate, on the seventh floor. However, because you will be at the Commission's main office if it works better for you and can meet at SDG&E's office, because it is closer to the CPUC's main building. Just let me know what works best for you.

Sincerely,

Ray –

The electric utilities are scheduled to meet with Commissioner Florio next Tuesday (12/10) at 4:00. Are you still available to meet after – around 5:00? If getting a room at the CPUC is difficult at that hour, we can meet in SDG&E's conference room. Just let me know. Thanks.

Billy

Billy,

Thank you. I'm happy to meet with you, but the main person who needs to be in this discussion is Ray. I think he is planning to be in San Francisco next week, so meeting next week here might work. Please coordinate with him and I'll do my best to make myself available.

Best,

Liza

Liza,

As I mentioned yesterday, the utilities would appreciate the opportunity to share our concerns with you regarding the pending PD in the Safety OIR. We are trying to set up other meetings at the Commission – hopefully next week – and it would be great if we could time a meeting with SED to minimize travel for folks. We'll let you know when we have a better idea of potential dates. Thanks.
