Subject: Data Request - Raw Data Used in Targetbase Report - Due December 23, 2013

Hi Meredith and Jason,

Please see the attached data request seeking raw data used in the development of the Targetbase report *California Climate Dividend Public Outreach Program Strategic Road Map*. **The request is due Monday, December 23, 2013.** The “FTP tutorial” document explains how you can electronically send large files to me; email won’t accept anything larger than 10MB.

Please let me know if you have any questions or if this deadline is infeasible.

Thank you!
