Subject: RE: Meeting to discuss PG&E's Contractor Safety Program

I regret that I am going to have to postpone this meeting till after Jan 5th. I am leaving Tuesday for the east coast to take care of one of my former officers who is terminally ill has only days left. Since I don't know how long I will be gone and I was planning Christmas leave starting on the 20th, I do not plan on being back in San Francisco until 5 Jan 2014.

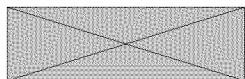

Happy Holidays to you and your families,

BG H

General Hagan

I am following up on the interest you expressed yesterday in knowing more about what we are doing to strengthen our contractor safety program. My colleague Erik Jacobson suggests that it would be worthwhile to have a discussion that includes our Safety Director and our Manager of Contractor Safety Redacted

I am copying Aaron (as always) for help in getting something scheduled at your convenience. We would be happy to host a visit at our SF offices or we also will gladly come to you.

Thanks

Laura
