Subject: RE: LCD Workshop Notice

Erik,

I'm glad that the timing worked out. Thanks for the offer to have a pre-workshop discussions – unfortunately, I'm out Jan. 3 through Jan. 13, so the timing for that probably won't work. However, I'll check with Don to see if his group would like to schedule something.

Thanks and happy holidays to you as well!

Subject: LCD Workshop Notice

Michele,

Thanks for working with us on the workshop schedule. Much appreciated.

We had a good discussion with ORA this week about LCD in advance of the workshop. If you or any of your colleagues are interested in having a similar discussion to get a better understanding of the key issues in advance of the workshop, we would be more happy to arrange such a meeting. We could also arrange a tour of our trading floor at your convenience. Just let me know if you are interested.

Happy Holidays!

Erik
