Subject: CPUC rejection letter regarding the CES 21 Joint Utility Annual Report

Dear Mr. Cherry (On behalf of the Joint Utilities),

Because the utilities filed the California Energy Systems for the 21st Century (CES-21) Program annual report before the Commission has had the opportunity to take input from stakeholders and resolve implementation issues, the Commission rejects the Joint Report without prejudice. The Commission will instruct the Joint Utilities on how to amend the Joint Report via a revision of D. 12-12-031 or a new Decision in Application (A.) 11-07-008.

Attached you will find the rejection letter, signed by Director Michelle Cooke on behalf of Executive Director Paul Clanon, for the CES 21 Joint Utility Annual Report filing.

Best,
