I have been checking with ALJ Darling. I do not think that it can be added but I will re-confirm.

Michael

I see that the December 19, 2013 PUC business agenda came out today. The motion that we discussed last week is not on the agenda. Any chance that it can be a late add? As I mentioned before ORA has authorized PGE to state that it does not oppose the motion. Turn was silent. The motion is dated October 28, 2013. Thanks for looking into this.
