Subject: Slides for CPUC Dec 18 LTPP Workshop

Dear Parties interested in Long-Term Procurement Planning and Resource Adequacy (the R.12-03-014 and R.11-10-023 service lists):

Your Inboxes rejected my initial email that had the slides attached. I am attempting to send once more with the file slightly compressed.

Regards, Patrick

AGENDA

In this workshop, staff of the California Public Utilities Commission (CPUC) in collaboration with the California Energy Commission (CEC) and the California Independent System Operator (CAISO), will introduce proposed joint CPUC-CEC-CAISO planning assumptions, scenarios, and renewable portfolios, to be used in the 2014 CPUC LTPP and 2014-15 CAISO TPP cycles. This workshop is intended to present to parties of the LTPP, CAISO stakeholders, and interested public, the assumptions, scenarios, and renewable portfolios, and provide an opportunity for questions and feedback.

Documents describing the assumptions, scenarios, and renewable portfolios, will be posted the week before the workshop. There will be an opportunity for formal comment by LTPP parties after the workshop. If you would like to become a party to the current LTPP proceeding (R.12-03-014) and file comments on the draft assumptions and scenarios, please file a Motion for

Party Status with the CPUC's Docket Office.

Remote Attendance

Remote access will be available by computer or phone via WebEx, as set forth above.
