Subject: Tour of PG&E Gas Transmission and Distribution Operations Center in San Ramon

Julianne,

Brian Cherry would like to extend his invite to Commissioner Ferron and his staff to tour the PG&E's Gas Transmission and Distribution Operations Center in San Ramon at his convenience. The tour may require 2 hours at the maximum. If accepted, please provide me Comr Ferron's availability for tour and we will try our best to work around his schedule.

Let me know if you have any question. Thank you.
