Ms. Allen:

The attached report for the Metcalf Substation incident has been requested by a reporter. Before we release it SED wanted to check with PG&E if they had any concerns/issues with the report due to the nature of the incident. Please let me know by 2:00 pm (sorry for the late notice), if PG&E has any concerns or comments on the attached report.

Thank you for your time and attention.  
Sincerely,

Raymond G. Fugere, P.E.
