**Re: Request for Extension of Time to submit advice letter pursuant to Ordering Paragraph (OP)  
3 of Decision 13-04-020**

Dear Mr. Cherry:

This letter grants your request dated December 6, 2013 for an extension of time to file a Tier 1 Advice Letter as directed in D.13-04-020 until 30 days after the Commission issues a final decision on PG&E's 2014 General Rate Case (GRC). OP 3 of D.13-04-020 requires PG&E to file a Tier 1 Advice Letter on or before December 31 of each year to escalate the Direct Access and Community Choice Aggregation Service fees, other than the Bill-Ready Billing Service Fee, to reflect the applicable labor escalation rates adopted in PG&E's 2011 and 2014 GRC decisions.

In the letter requesting extension of time, PG&E explained that since the Commission has not yet issued a decision in PG&E's 2014 GRC proceeding (A.11-12-009) adopting 2014 labor escalation rates, PG&E is unable to file its Tier 1 Advice Letter before December 31, 2013. PG&E states that if it is granted the requested extension, it will file the advice letter ordered by OP 3 of D. 13-04-020 within 30 days of the Commission issuing its decision on PG&E's 2014 GRC and requests that the updated fees be made effective the first day of the month following the submittal of the advice letter. PG&E further explained that it has conferred and obtained the concurrence of all parties to Application (A.) 11-12-009 regarding this requested extension, and will inform the parties if the extension is granted.

Pursuant to Rule 16.6 of the Commission's Rules of Practice and Procedure, a party may request an extension of time to comply with a Commission decision by sending a letter requesting the extension to the Commission's Executive Director. By this letter, I grant your requested extension to file a Tier 1 advice letter pursuant to OP 3 of D.13-04-020 until 30 days after the Commission issues a final decision in PG&E's 2014 GRC. You are directed to promptly notify parties to A.11-12-009 of this extension.

Very truly yours,
