PG&E
Spaulding Hydro Electric Powerhouse

RE: November 15, 2013, Injury Accident

Dear Custodian of Records,

The CPUC would like to request a copy of the following information associated with the injury accident that occurred on 11/15/2012 at the Spaulding Hydroelectric Powerhouse.

- Which Cal-OSHA Field office responded to the incident report?
- What is the CAL-OSHA report number? Please provide any copies received.
- Were any fines levied? Please provide any citations issued.
- Were drugs or alcohol involved? Please provide any associated reports.
- Was the employee current in safety training? Please provide all current Safety Training records for the employee.
- Were any corrective actions taken or what corrective actions are expected to be taken to prevent this from recurring? Please send all associated work orders or changes to procedures made (current or expected; with dates).
- Why was the CPUC incident report not filed in a timely manner?

Please send all documents and the incident report within 14 days of this request to:

James Cheng, Utilities Engineer
California Public Utilities Commission
Safety Enforcement Division
180 Promenade Circle, Suite 115
Sacramento, CA 95834-2939
(916) 835-7448
Or
Email to: jtc@cpuc.ca.gov

If you have any questions, please don't hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "James Cheng", written over a horizontal line.

James T. Cheng
CPUC Utilities Engineer, Lead Investigator
