Subject: RE: Data response to questions discussed during 12/17 meeting

Erik,

Please submit photographs of the evidence collected at the Kern Site in accordance with the list in your document "SED 12172013 KPP-06 Attch 2 (Kern power Plant Forensic Survey)" and the corresponding rough weights and dimensions as mentioned your document "SED 12172013 KPP-06 Attch 1(Notice of Evidence Collection". Also, please include a picture of the refractory that will be entered as evidence in accordance with your document SED_12172013_KPP_12-23-2013.docx as follows;

Question 5
Should we add the boiler water wall refractory to the evidence list?
ANSWER 5
We will collect and tag one piece of the refractory brick and log it into the evidence list.

Finally, this is to advise you that your submittal of "The Root Cause Analysis" is delinquent. In your data response dated Oct. 18, 2013, SED_09182013_KPP_10-18-2013.docx, PG&E stated in question 52 that the RCA will be provided to us by the end 2013.

Please submit the RCA, evidence photos and data by Jan. 17, 2014.

Thanks,

Ron Lok
Utilities Engineer
CPUC

Subject: Data response to questions discussed during 12/17 meeting

Valerie, Rick and Ron,

Attached is PG&E's response to the questions that came up at our meeting last Tuesday, December 17th regarding the Kern Power Plant demolition project incident.

Please let me know if you have any additional questions.

Best regards,

Erik
