Subject: CES 21- Energy Division Data Request

Dear, IOU's,

As you may already know SB 96 requires major changes in the CES 21 CPUC Decision. For this purpose, the Energy Division would like to clarify any monies that have been spent on the CES 21 to date. Specifically, we would like to know how much was spent and for what purpose the monies were spent, if any. Please populate and send the attached xls back to me no later than December 31 of 2013. We understand that this is an aggressive timeframe and appreciate your help on the matter.

If you have any questions please feel free to call me on my office phone below.

Cheers,

Cem Turhal,

Public Utility Regulatory Analyst
