**Subject:** EMAIL RULING GRANTING PG&E's Motion to Extend Protest Period - RE: A.13-12-012  
**Date:** Friday, January 17, 2014 3:31:11 PM

---

To all Parties:

THE EMAIL RULING GRANTS PG&E's request to extend the protest period and reply date: protests must be filed by January 31, 2014, and replies to protests must be filed by February 10, 2014.

I was formally assigned to this proceeding only yesterday and thus this is the first opportunity for an assigned Judge to rule. This extension is short and its benefits should easily offset the minor delay it imposes.

A separate notice of a timely preheating conference will follow and then a timely scoping memo by the assigned Commissioner.

Additionally, PG&E must please resend this email to the service list. I experienced some difficulties with the on-line service list and I want to ensure delivery so parties should please excuse the Judge for any duplicate service.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING
