I'm horrified! He still has not produced a PD for Sempra's PSEP/TCAP after

much prodding and cajoling-- we are considering asking that another ALJ be assigned to finish for him. Plus he may retire any day, and uses that as a threat to deflect any direction. Sepideh spoke to John Wong and he said he's just too overloaded, which we didn't know. John is a true workhorse so it must be true. If I were you I would bump him-- you really can't do any worse! Even a brand new ALJ would at least work hard and try -- you'll get neither from him... Keep me posted and I'll do what I can on this end.....

If I don't bounce him, I will need an alternate.
