Hi there –

Commissioner Peterman and her team were in San Ramon this morning for a tour of the Gas Control Center.

Paul, Ed and Frank have been out, and it would be great if you could come too.

We're happy to set up something just for you, or I can let you know when the next one will be – I think Peevey's office is trying to get scheduled.

Just want to get this on your radar for Q1 2014 if possible.

Thanks, and happy new year.

Laura
