Eugene (and Gurbux!)

Wanted to alert you to this request for a short-turn around on an Advice Letter that would continue bill relief for the remaining customers directly affected by the San Bruno accident. It's now about 13 customers.

We don't expect any protests, as there haven't been any previously.

I don't know who on your team will get this, but Eugene has been involved in the past.

You will undoubtedly let us know if you have questions.

Thanks very much.

Laura
