Ed and Mary Jo			
		r (referenced below and 10 MB or I would attach it) requesting ne relocation that is needed for the new Redacted facility in San Jos	se.
Like most of the ALs you get, this one is time sensitive. Redacted is trying to complete construction of their major new facility on a tight timeline and we need approval to be able to get this work done. The City of San Jose is anxious and Redacted is inquiring with us nearly every day.			
Is there a	any way you can	n give us an ETA on this AL?	
need. I a		to meet or do whatever it takes to provide the information you might colleague Redacted as well if you need any more detailed filing.	ıt
Regards,			
Laura
