Laura, Why don't you guys coordinate with Mike Robertson and Dennis Lee? Dennis, being in San Francisco, is probably the best ongoing contact for this. Liza Elizaveta Malashenko

Just resending this to make sure you saw it among the hundreds of emails you get every day . . . We would really like to get something on the calendar in the next few weeks, perhaps a time when Mike Robertson is available? Thanks. Laura From: Doll, Laura Sent: Monday, January 06, 2014 2:57 PM To: elizaveta.malashenko@cpuc.ca.gov Subject: Quarterly meeting schedule? Liza Happy new year! We were thinking it's time to reinstate our quarterly SED/Gas Ops discussions and would like to get something scheduled at your convenience. It can happen at your office, but it might be better if you and your team could come to San Ramon. Either way, let us know if you have some availability in the coming weeks. **Thanks** Laura
