Subject: Meeting re PG&E Emergency Preparedness & Response

Stephanie,

Thank you so much for taking the time to meet with us today. Below are the follow ups that we discussed in today's meeting.

- Meeting to discuss Q1 County OES outreach
- Meeting to discuss PG&E's program and outreach efforts with other utilities
- Meeting to discuss AB1650 outreach
- Further discussion regarding communications with CPUC during a catastrophic event

On the first two items, I will contact you in March to schedule meetings in April. In regard to AB1650, I will send you the report next week and will schedule a meeting to discuss. On the last item, I will be following up Ray Fugere and will be sure you are in the loop. Please let me know if I missed anything.

Also, below is Katie's contact information. Would you please send me Jennifer's email address? I would like to extend our appreciation to Jennifer as well and follow up with both of you on an item that Jennifer and I discussed after the meeting.

If you have any questions or would like to discuss further, please contact me or either Mike or Katie directly. We are looking forward to working with you.

Have a great weekend!

Best regards,

Meredith
