Subject: LIB Functionality for MCE OBR Next Steps

All-

Just to confirm next steps we discussed today on the call, please see below and let me know if I missed anything:

- PG&E will send a draft MOU to the group for review by 1/15 or earlier
- In parallel PG&E will start preparation of the Advice Letter for submission after MOU execution
- PG&E will send a high level project timeline to Jean and the group by 1/15 or earlier

Thanks for everyone's participation. We appreciate your help ensuring everyone is on the same page moving forward.
