Subject: Follow Up to our call - Pricing Trends

Hi Stephen,

Great meeting you on the phone. As mentioned, you might want to reach out to [Redacted] [Redacted] at the Pacific Energy Center to get some additional research support; I've CC'd her so you can get her email address.

Also, I've attached a good study on the latest pricing trends for LED to get you started. I'm reaching out to my team for other resources that might be available but will need about a week to get back to you.

Thank you,

[Redacted]
