Hi Sid

Hope you are doing well. I wanted to reach out to you directly to let you know that I will not be joining Commissioner Picker's interim team. It was a pleasure working with you in this capacity over the last few years, and I am confident that everyone on the PG&E EE team will continue to push the envelope. I will continue to be available to Brian Stevens' in Peevey's office to help with some procedural transition matters to ensure continuity, as appropriate.

Best

Michael
