**NOTICE OF EX PARTE COMMUNICATION**

Pursuant to Rule 8.4 of the California Public Utilities Commission's Rules of Practice and Procedure, the California Large Energy Consumers Association<sup>1</sup> (CLECA), hereby gives notice of the following ex parte communications.

On January 7, 2014, Barbara Barkovich and Nora Sheriff, consultant and counsel to CLECA, spoke on the telephone regarding procurement with Rachel Peterson, advisor to Commissioner Florio, from approximately 3:35 to 3:45. They also discussed procurement in person with Audrey Lee, advisor to President Peevey, from approximately 4:30 to 4:40. Both meetings were initiated by CLECA and the meeting with Dr. Lee was held at the Commission's office.

Dr. Barkovich and Ms. Sheriff noted the lack of growth in the proposed planning assumptions and scenarios for "dispatchable" demand response for the new long term procurement planning cycle. Given the Commission's stated intent to enhance the role of demand response as a resource, Dr. Barkovich and

<sup>1</sup> The California Large Energy Consumers Association is an organization of large, high load factor industrial electric customers of Southern California Edison Company and Pacific Gas and Electric Company. CLECA member companies are in the cement, steel, industrial gas, beverage, pipeline and mineral industries. CLECA has been an active participant in Commission regulatory proceedings and Commission Demand Response Programs since 1987.

Ms. Sheriff suggested that the planning assumptions and scenarios be revisited to include the potential for reasonable increases in demand response.

Dr. Barkovich and Ms. Sheriff did not use any written handouts during either discussion of procurement.

Respectfully submitted,
