RE: Request of the California Solar Initiative Program Administrators for Extension of Time in Accordance with Rule 16.6 to File the California Solar Initiative Semi-Annual Expense Reports

Dear Mr. Cherry:

On December 11, 2013, Pacific Gas and Electric Company, on behalf of the California Solar Initiative (CSI) Program Administrators (PAs) requested an extension of time to comply with certain provisions of Decision (D.) 07-05-047. More specifically, the CSI PAs requested an extension of time to submit the 2014 California Solar Initiative Semi-Annual PA Expense Reports (Reports).

The CSI PAs requested a 16-day extension of time for submitting the 2014 Reports, originally due on January 15, 2014 and July 15, 2014. The CSI PAs explain that the extension is necessary because much of the data is not available until the second week of the month.

The extension requested is granted. The Reports are now due on January 31, and July 31, 2014.

Sincerely,

/s/ PAUL CLANON
