We have directions on Bishop Ranch EV Charging on our website [HERE](#). We have a map of local charging locations [HERE](#).

Bishop Ranch 3 at 2603 Camino Ramon has level 2 EV Charging on the Chargepoint Network.

Bishop Ranch 6 at 2420 Camino Ramon has Level 2 & 3 charging on the Blink Network.

We have a shuttle bus that goes to BR1 from both locations but it does not run until afternoon. See schedule [HERE](#).

Our website, referenced above, explains how to join these networks if you are not a member.
