Subject: FW: Back Up Generation Unit

Laura- DGS would be the folks to contact for setting up a look at the unit.

David Omosheyin is the building manager, his email is Kayde.Omosheyin@dgs.ca.gov

Lee Ratcliff is his boss, his email is Lee.Ratcliff@dgs.ca.gov

The secretary there (a more reliable way to get contact made) is Kay
kay.schlinkert@dgs.ca.gov

Hope that helps.

Michelle

Michelle,

Yes we do have a back up generator system. And David/Lee are the appropriate contacts.

Subject: Back Up Generation Unit

Scott- If someone (from PG&E) wanted to come look at the CPUC's back up generation unit (I think we have one, right?) should I send them to David or could you facilitate a visit? I'm not sure why, but one of PG&E's Regulatory Relations people called me and they would like to look at a sample back up generation unit and thought we had one so it might be easy.

Please let me know.

Thanks.
