Subject: PAS 55 and PG&E's Gas Safety Excellence Program

Hi everyone –

We are looking forward to your visit to Bishop Ranch on Monday for a discussion about our PAS 55 program.

Building Y is next door to the building that I think most of you previously have visited (“Z”). There is a small café on the first floor if you arrive early. Building Y is a card-access location so I will be in the lobby watching for you all to arrive from the parking lot and I can let you in.

You are all always on time, so we can gather in the lobby at 10 and proceed to the conference room upstairs together.

Looking forward to our discussion Monday!

Have a good weekend.
