Dennis and Mike	
Liza sugg weeks.	sested that I work with the two of you to get something arranged in the next few
	would be great if you could come to San Ramon and see the new gas control center it's up and running, but we will do whatever is easiest for you.
Thanks

Liza

Happy new year!

We were thinking it's time to reinstate our quarterly SED/Gas Ops discussions and would like to get something scheduled at your convenience.

It can happen at your office, but it might be better if you and your team could come to San Ramon.

Either way, let us know if you have some availability in the coming weeks.

Thanks

Laura
