How on earth was that not on my calendar??? My brain isn't functioning perhaps.  
Anyway I can't do it. Jane Yura is retiring (sniff, sniff) and we are having a small dinner for her. Friday I head to TX for the weekend.

What does next week look like?

Hi LD

I had in my calendar that we were tentatively going to try to grab a bite tomorrow. Are we still on? If so, what time were you thinking? As for location, I was thinking one of a few options: 1) I've sort of got a hankering for risotto, and make a mean one, so if you wouldn't mind suffering a bit of home cooking, I'd gladly make us something at the new condo. 2) We could do something on Fillmore street so that way you could see the new digs but not have to suffer through my home cooking. 3) skip new place for next time and do something closer to your neck of the woods.

Michael
