I know, I feel better after every one of these.

How are you doing? Happy, I hope, about today's announcement. He's a good guy, I think, and you'll enjoy working with him.

Next week is now getting weird as I head out of town Thursday. Is Monday a possibility for dinner?

FYI I just picked up a ticket for this (and two other events). So excited to see you and mr. Larry. Plus we have Bette Lavette coming up!

Fabulous idea. I'd love to join. I'll get ticket over the weekend. Is it GA or assigned seats?

Happy new year!

Larry and I have tickets on Mar 13 to see David Kelley from IDEO at JCCSF talking about “Unleashing Your Creativity.”

“As founder of IDEO, David Kelley built the company that created many icons of the digital age – the first Apple mouse, the first Palm Treo, and the thumbs up/thumbs down button on your TiVo’s remote control “

I wouldn’t have gravitated to this, but Larry knows of him and thinks it may be cool.

Just wanted to put that out there in case you’re interested and could join us. Tickets are still available.

Hope to see you soon(ish)!
