Subject: RE: Scheduling a brainstorm meeting

Hi Peter,
Molly is still out sick today (with sick children) and reports that there's no certain end in sight for the flu symptoms. So we'll have to put scheduling this meeting on hold again, sorry! Hopefully once everyone is well we can have a productive meeting (and also include the new ED analyst who should be starting soon to work on this issue).

Regards,
Candace

Hi Candace,

Given the crunch from the start of the year, next week will work well for us. Thursday, January 16, 10:00-12:00 a.m. is best for us. We can travel to the CPUC if that is more convenient for you. Will that work for you?

I am planning to attend this Thursday's meeting on FRACMOO and will be sending out a note on that meeting later this afternoon.

Looking forward to our upcoming discussions,

Peter

Hi Peter,

Molly has been sick and is out today, and I think that next week might be better for both of us. Next Monday 1 – 2:30, Weds 11-12, or Thursday 10-12 are open for us, do any of those times work for you?

Also I know we did touch base on the FRACMOO and that we have another meeting scheduled this week with PG&E on Thursday from 2-2:30 pm (in case you did not receive the invite, let me know and I'll forward it).

Thanks

Candace

Happy New Year, Candace,

I wanted to touch base regarding the tentative JRP meeting for next week. Will any of the times suggested below work for you?

Thanks,

Peter

Hi Candace,

Apologies for my tardy response. We would very much like to meet with you to brainstorm about JRP activities.

The first full week of January would be fine; unfortunately, we are not available the times you suggested below. We are available:

Tuesday, Jan 7 3:30-5:00 p.m.

Wednesday, Jan 8 10:00 a.m. - 1:00 p.m.

Thursday, Jan 9 3:30-5:00 p.m.

Friday, Jan 10 10:30 a.m. – 1:00 p.m.

Are there times in these windows when we could meet?

Also, I would like to follow up with you on FRACMOO. The CAISO has proposed a lot of fundamental changes, and we would like to see what views we have in common. Is there a good time for us to talk Thursday or Friday this week?

Peter

Hi Peter,

To follow up on our conversation yesterday, Molly would like to wait until January for a meeting so that we can possibly bring in Ed Randolph (he's out on vacation starting next week I believe, through the end of the month). How about scheduling something for Monday, Jan. 6 after 2:00 pm, or Weds, Jan. 8 after 3 pm?
