Erik,

Yes that is correct, please submit pictures of each evidence piece collected and listed on the forensic survey map.

Thanks,

Ron,

Just to clarify your request for pictures. We previously provided SED with pictures in response to Question 29 on October 18th (marked as SED_09182013_KPP-29_Atch_1). I believe those pictures also corresponded to the survey map. I am assuming the new pictures you want were those taken on December 5th when CalOSHA collected the physical evidence. Is that correct?

Erik
