Re: Core Procurement Incentive Mechanism  
Cumulative Monthly Report - November 1, 2012 – October 31, 2013

Dear Mr. Clanon:

The Gas Accord Decision requires PG&E to file annual and quarterly Core Procurement Incentive Mechanism (CPIM) reports. However, the Office of Ratepayer Advocates (ORA) has requested that PG&E submit monthly reports in order to fulfill the Commission's reporting requirement and honor ORA's request. PG&E hereby submits its Cumulative Monthly CPIM Report, covering the period November 1, 2012 through October 31, 2013. While this report covers the complete 12 months of CPIM Year 20, additional auditing and review of these results will be done by PG&E before they are finalized. The final Annual Performance Report covering this period (CPIM Year 20) is expected to be filed by PG&E in the second quarter of 2014.

The attached Cumulative Monthly CPIM Report documents gas costs, revenues and benchmark calculations from November 1, 2012 through October 31, 2013. It also includes hedging transactions in accordance with the Settlement Agreement regarding hedging into CPIM. Since this report reflects the latest but not necessarily final information, and calculations may be updated in subsequent reports. This report is submitted for informational purposes. PG&E's actual CPIM performance and any resulting incentive awards or penalties are determined on the basis of an annual CPIM cycle.

This report also fulfills PG&E's obligation in paragraph B.4. of Appendix A to Decision 02-07-037, to report short-term sales of capacity on the Paso Natural Gas Company interstate pipeline.

<sup>1</sup> Sixth Interim Order, D.97-08-055, p. 65, para. 10. PG&E's first quarterly report covering the period November 1, 1998 through January 31, 1999 was submitted March 31, 1999.

<sup>2</sup> Order Instituting Rulemaking to address the Gas Utilities' Incentive Mechanisms and the Treatment of Hedging under Those Incentive Mechanisms.
