Ron,

Just to clarify your request for pictures. We previously provided SED with pictures in response to Question 29 on October 18th (marked as SED_09182013_KPP-29_Attch_1). I believe those pictures also corresponded to the survey map. I am assuming the new pictures you want were those taken on December 5th when CalOSHA collected the physical evidence. Is that correct?

Erik

Thanks Ron. We will follow-up on this additional data request.

Regards,

Erik
