Subject: R.12-06-013 Rate and Bill Impact Template for IOU Phase 2 Requests

Dear Parties to Rulemaking 12-06-013,

Pursuant to ALJ McKinney's email ruling of January 21, 2014, the Energy Division is sending the attached rate impact and bill impact templates for use by the utilities to develop testimony in their simplified rate change proposals for 2014. The utilities are requested to use these attached templates to show comparisons between proposed and existing rates in a standardized format which includes comparisons of proposed rates to rates in affect in November, 2014, as well as rates in effect in early 2014. The templates contain instructions in the files which are self-explanatory, but should the IOUs or any party have any question about what is required they may contact the Energy Division staff for clarification. The templates were developed with input from some of the parties as well as the IOUs.

Each IOU is requested to confirm receipt of this email to ensure it is successfully delivered.

Thank you.
