Yeah, she is really nice and practical. See you Monday. I'll come to your office and we can then walk to the Gap building?

Sempre/Edison,

I just spoke with Shelly Sharp from PG&E regarding the case studies that each of the utilities will submit. Shelly has the full understanding of what I'm looking for. I was going to call each of you, but since you guys are all meeting, please note that Shelly and I are on the same page regarding the case studies.

Thanks,

Marzia Zafar - Director, Policy & Planning Division
