Liza - it is always my pleasure. I have to say from a personal perspective, I'm thrilled that you will be staying on at SED. I believe you and Denise will work very well together and you can both learn from each other. On a personal level, you are nice, smart, thoughtful - among the many other attributes that make you a catch ! Things will look up for you here in the social arena. It just takes some time.

March 7 works for me.
