Brian,

Thank you, that's very nice of you. There are some definite upsides to sticking around and seeing what trouble I can create. Someone needs to keep you guys in check, might as well be me.

Happy to see you didn't send me to your admin to make plans this time :). March 7 should work fine for lunch.

I believe you and Denise will work very well together and you can both learn from each other. On a personal level, you are nice, smart, thoughtful - among the many other attributes that make you a catch ! Things will look up for you here in the social arena. It just takes some time.
