I'm happy and willing for 11:30pm to 1pm at Gapeteria and then Gap art – both near you, Brian.

When you turn on your lights at home... they turn on because of 505 Van Ness

When you turn on your shower... that's us, too

When you call your mom...that's us, too

When you call a ride...oh, that's us, too

And the rest of the world is following us.

That's right – 505 Van Ness!!!

I can do Feb 24 if we start it at 1130am. I have a 1 pm scheduled that I'm required to attend. The GAP provides job to people in poor countries that allow them to feed their

families and raise their children. I'd bet she has a bigger impact on saving lives....
