Re: PEVC Meeting

Dear Ms. Peterman:

The California Political Reform Act requires certain state and local officials and employees in California to file an annual Statement of Economic Interests, listing any “gifts” they received during the year. If you are required to file a Statement of Economic Interests, we want to make sure you were aware of any reportable payments you may have received from Pacific Gas and Electric Company.

We have recently discovered that you may have attended a July 23, 2013 event at the Hyatt Regency, San Francisco, hosted by Pacific Gas and Electric Company, in conjunction with the Plug-In Electric Vehicle Collaborative and the Natural Resources Defense Council. If you did not attend this event, please notify us immediately. In the event that you are required to file a Statement of Economic Interests, the fair market value of the food and beverages provided at this event was \$125.31.

We are pleased that we had the opportunity to provide you with food and beverages at this event. If you wish to reimburse the Company, please make the check payable to “Pacific Gas and Electric Company” and mail it to me at 1415 L Street, Suite 280, Sacramento, CA 95814. **Please be assured that we are not asking you to reimburse, but simply want to make sure you are aware of this option under California law.**

If you have any questions or concerns regarding this matter, please do not hesitate to call me at (916) 386-5717.

Sincerely,
