Subject: R.11-05-005 (RPS) Delay in service of PEL revised staff proposal

All,

Due to unforeseen circumstances, the service of revised staff proposal on the RPS procurement expenditure limitation, scheduled for Friday, February 14, 2014,

must be postponed. This also postpones the date for filing and service of any alternative proposals, which are to be filed and served simultaneously with the revised staff proposal.

The new date for service of the revised staff proposal has not been set, but it will not be earlier than Wednesday, February 19, 2014. Parties intending to file alternative proposals for the PEL methodology should contact Sean Simon, Energy Division staff [sean.simon@cpuc.ca.gov; (415) 703-3791], for current information about the most likely date for service of the revised staff proposal and any alternative proposals.

A revised schedule for submission of comments and reply comments on the revised staff proposal and any alternative proposals will be circulated soon after the time the proposals are served.

Please note that this e-mail is being sent to the service list in segments.
