Subject: RE: Follow-up conversation

Lise,

I'm available for a follow-up conversation tomorrow at 3:30. Because I hadn't seen the risk register provided in the data response to TURN prior to the last meeting, and Nat Skinner, Mark Pocta & Pearlle Sabino are all away, we may need further time to talk about these matters after tomorrow and before the PHC.

Tom – at the meeting last week, you indicated that our reply to your protest failed to address all of your issues. At that time, we were not sure what you were referring to. Now that we've had a chance to re-review your protest, we just wanted to close the loop that we believe we've addressed matters adequately.

Lise,

I assumed you wanted to talk more about schedule. Can I have a preview of what you want to discuss, so we can decide whether Bob Finkelstein should be part of the conversation?

Tom, the purpose of our call is to address some of your comments from last week about TURN's protest, but we're happy to include Jonathan in the discussion.

Tom and Jonathan, would 3:30 tomorrow afternoon work? If so, I'll send around a call in number.

Thanks,

Lise,
I could talk on Thursday at 3 pm. I assume you'll include ORA too?

Hi Tom,

We would like to follow up with you on a couple of issues we discussed last week. Are you available some time tomorrow or Thursday? Any time before 1:00 tomorrow would work for us, or we're generally available on Thursday as well. If these days don't work, please let us know what is most convenient for you. I will send around a call in number once we settle on a time. It shouldn't take more than 30 minutes at the most.

I hope this is acceptable to you.

Thanks,
