Great. We will leave it as-is.

Your earlier thank you note actually tipped us off to check if it was already done... And I couldn't find it either on the completed or forthcoming February mtgs...

And then I was confused about being thanked for something not yet done. But we are good, thanks for your fast reply. I expect no issue.

You and Mary Jo are really kind to reach out on this – thanks.

Everybody can live with approval the first meeting in March since we are all assuming it goes through without a blip.

Thanks again.

Laura,

Could you give me a call to discuss the timing of the Samsung Resolution? I think it is on the agenda for the first meeting in March. Is that ok? I thought it would actually go on the second meeting in February, but we just realized that is not the case.

Let me know.
