Subject: RE: Field Visit to Picarro/gas optimization pilot in Sacramento

Hi Laura,

They're forecasting rain in SAC tomorrow. Will they still perform leak surveys in the rain? I don't want to drive up there and find out they cancelled it.

Also, I received the Google Map but I didn't get an Outlook Meeting notice. Is it still at 1 PM?

Thanks,
Chuck

We look forward to your visit. Wear comfortable shoes and coats (and umbrellas?) as needed.

Call my cell at [Redacted] if anything comes up.

I'll be there. [Redacted] will be our lead, and his cell is [Redacted]
Laura
