Subject: RE: PG&E advice letter 3444-G/4342-E

Hi Eugene,

Thank you for your patience. Please find attached a copy of the customer notification. The affected customers were notified and aware of PG&E's intention to extend Bill Relief through settlement discussions. Additionally, PG&E mails the attached letter to each displaced customer in San Bruno upon approval from the California Public Utilities Commission.

Please let me know if you have any questions.

Thank you,

[Redacted]

PG&E advice letter 3444-G/4342-E – *One year extension of San Bruno bill credit*, stated that the affected customers described in the advice letter will be notified about the advice letter (p. 5). Have the affected customers been notified? If so, when were they notified and what was the form of the notification (please provide the notification)? Thank you.
