Subject: RE: Review of quarterly performance metrics (trying to get an earlier date, and one that isn't just before a CPUC meeting)

Goin' to Texas on the 6th – Larry's spring break, and we're spending the weekend. Could March 17 work? It's St. Patrick's Day!

Trying again. SED had to reschedule today's meeting until March 5, and it's in San Ramon so I can't make lunch in the city. . . .
